

PLATYPUS™ HOUSE

MUST VISIT - BEST TOUR

See the world's strangest animals, **LIVE...**
up **close** and **personal**.

A living **world** experience
at your finger tips.

Tasmanian platypuses and Tasmanian echidnas are unique and cannot be seen anywhere else in the world.

Platypus House offers a once in a lifetime opportunity to watch both live platypuses and echidnas in daylight and undercover!

EVERY TOUR HAS:

- ✓ A fully guided tour of platypus ponds to watch platypuses feeding and playing
- ✓ A walk through the echidna garden to see echidnas foraging in a bushland setting
- ✓ An interpretation centre explaining the biology of both platypuses and echidnas
- ✓ A theatre showing a film on platypuses
- ✓ A Café with excellent beverages and friendly staff
- ✓ A selection of gifts and postcards to remember a fantastic living world experience
